Product overview

The Ivy hanging mirror is the perfect retro-fit to any bathroom lacking a stylish feature.

The hanging features allows the product to be hung from the ceiling ensuring no damage to wall tiles or clean paint finishes. Then height can then be adjusted and tailored to each individuals requirement.

The IR sensor operates dual side illumination, perfect for over dual facing sinks, or to add a little ambience to the room by providing both back and front illuminated. The dual demister pads ensure the mirrors stays clear when in use and integrated colour changing technology only adds to the customisability.

Mechanical Specification

Product	Dimensions (mm) (HxWxD)	Weight (Kg)	IP Rating
SE30298P0	1440 x 600 x 34	7	IP44

Benefits

- Retro-fit design
- Height adjustable to suit any user
- Versatile dual sided design
- LED technology for long life
- Suitable for standard 2.4m ceilings

Key Features

- IR sensor on/off
- CCT colour changing LED's
- Dual demister pads
- Dual illumination
- Dual mirrors
- Matte black finish
- Ø140mm Ceiling rose

Technical Specification

Voltage	240V
Wattage	40W
Number of LED's	84
Color Temperature	Full spectrum – 3000K to 6000K
Dimmable	No
Operating Temperature	5°C to 45°C
Cable Length	1m
