### Product overview

The Libra Ultra-Slim Led mirror is the perfect solution for adding illumination to any bathroom, without compromise.

The unique design allows the mirror to boast a thickness of only 10mm ensuring the product fits seamlessly into the bathroom. Both the front border and edges are fully illuminated giving a diffused, bright glow.

The colour changing LED's allow users to tailor the colour temperature to suit any environment and the integrated demister pad ensures the product stays clear and fog free when in use.
