# Stellar Pro
## Recessed/surface mounted plinth light

RoHS ◇III CE ☒ ♻

## Benefits

- Human Centric Lighting
- Easy to use and install
- LED technology for long service life
- Low wattage – reduced energy consumption

## Key Features

- CCT – Enables seamless transition from cool to warm white
- Recess or surface mount with the included collar
- Diffused lights – no visible dots
- Fittings can daisy chain together
- Compatible with Sensio CCT Receivers, Universal Remote Control and Smart Drivers

## Product overview

The versatile Stellar Pro is the latest addition of the fantastic range of Sensio plinth lights.

Featuring both recessed and surface mounting options with the included collar, the Stellar Pro is not limited to simple plinth installation as it can be installed nearly anywhere in the kitchen.

The Stellar features CCT technology meaning when coupled with the CCT Receiver and Universal Remote Control, the colour temperature can be fine tuned to any environment – providing a proven positive impact on health.
