Product overview

The Kai Plus is a stylish and contemporary LED mirror capable of taking centre stage in any bathroom.

An update on the popular Kai, the Kai Plus refreshes the design with diffuse illumination on either side of the mirror. Rotatable for ultimate versatility, the Kai Plus can be installed portrait or landscape.

Boasting an infrared sensor and a shaver socket, with a demister pad to ensure you always have a clear view, the Kai Plus is a perfect for everyday tasks such as applying make-up or shaving.
