### Product overview

The Sydney Cabinet mirror offers a simple yet stylish solution for bathroom lighting. An IR sensor located at the bottom of the cabinet allows for easy operation whilst the in built demister pad ensures that the mirror will remain clear and give the best possible view.

Holding a hand under the sensor allows the user to effortlessly control lighting on the mirror turning it on/off.

All these features make the Sydney a perfect addition to any bathroom.

### Mechanical Specification

Product	Dimensions (mm)	Weight (kg)	IP Rating
Sydney	H900 x W600 x D130	17kg	IP44
