

Benefits

- Easy to use and install
- Front illumination
- LED technology for long life

Key Features

- Touch sensor
- Demister Pad
- Portrait Orientation
- Intensity Dimming
- Heating Pad
- Cool White

Product overview

With its simple yet charming design the odyssey fits nicely into any bathroom. Innovative lighting solutions and stylish touch sensors give a modern feel to its vintage shape.

In built demister pads ensure that the glass stays clear giving the best possible view. The easy to use touch sensor makes turning the mirror on/off and regulating the colour temperature a piece of cake.

A cool white colour temperature helps with task lighting and makes sure the user is illuminated at all times.
